Everyone will have a chance to tour the new Library and Senior Center (if you haven't done so already). This is a grand occasion and we are planning for a large attendance from our community (and from outside of the community also). Bring your friends, relatives, neighbors.

PAF CLASSES

("Personal Ancestral File")

We are now taking "Indications of Interest" from seniors who would like instruction on the "PAF" program for building your Family Tree, etc.

Clyde Muir will be our instructor. He would like to begin in early November. Enrollment is limited. Preference will be given to seniors who are "members" (paid annual dues of \$5.00).

Clyde has made arrangements to get a 40% discount on a wonderful lesson book - \$8.97 (vs. normal price of \$14.95). This will include a floppy disk which goes along with the 12 lessons. All class participants would benefit greatly by having this manual and disk.

Sign up at the center or phone in.

Heber City's 10th Annual Cowboy Poetry Gathering/Buckaroo Fair November 9-14, 2004

Tom Whittaker has made arrangements for Senior Citizens to get a 50% discount to the Friday, Nov. 12, 2:00 PM concert put on by Ian Tyson and his Band. Tom played some CD excerpts for us of Ian Tyson's music and it is great.

The regular \$20.00 cost for the concert will be just \$10.00 and included will be a \$10.00 Membership Pin Free - to get you into the Fri. and Sat. Exhibitors hall at the high school (vendors, food booths, great entertainment, etc.) - a \$30 value.

Tom also offered seniors another package - a \$60 plus value for Only \$20.00 (includes Ian Tyson program, membership pin, Eddie Deen B-B-Q dinner and a beautiful Robert Duncan color poster.

Contact the Senior Center for tickets.

Subject: Walking

- > Walking can add minutes to your life. This enables you at 85
- > years old to spend an additional 5 months in a nursing home at \$5000 per month.
- > My grandmother started walking five miles a day when she was 60.
- > Now she's 97 years old and we don't know where she is.
- > The only reason I would take up exercising is so that I could
- > hear heavy breathing again.
- > I joined a health club last year, spent about 400 bucks. Haven't
- > lost a pound. Apparently you have to go there.
- > I have to exercise early in the morning before my brain figures
- > out what I'm doing.
- > I like long walks, especially when they are taken by people who
- > annoy me.
- > I have flabby thighs, but fortunately my stomach covers them.
- > The advantage of exercising every day is that you die healthier.
- > If you are going to try cross-country skiing, start with a small
- > country.
- > And last but not least: I don't exercise because it makes the
- > ice jump right out of my glass.

TRICK OR TREAT

On October 31 I was flying to Calgary to visit my daughter. We planned to attend a mystery dinner-theater in costume. My witch's cape was bulky and the hat impossible to pack, so I decided to wear them on-board.

At the check-in counter, the young man took my ticket, tagged my luggage, and then said, "Thank you for flying Canadian Airlines ... this time!"

TAYLOR MARION

THE TEACHER in our Bible class asked a woman to read from the Book of Numbers about the Israelites wandering in the desert.

"The Lord heard you when you wailed, 'If only we had meat to eat!'" she began. "Now the Lord will give you meat. You will not eat it for just one day, or two days, or five, or ten or twenty days, but for a month—until you loathe it."

The woman paused, looked up and said, "Hey, isn't that the Atkins diet?"

DAVID MARTINO, Winfield, Pennsylvania

EVEN THOUGH I'm in my 30s I still stop by my parents' house to mow their lawn. One afternoon, the kid next door was cutting his grass at the same time.

"It's punishment for skipping a day of school," he explained. "Why are you still doing your folks' yard?"

"Because I cut a class when I was your age," I said with a straight face.

I'm told he's had perfect attendance ever since.

ROBERT THOMPSON, Gladstone, Missouri

IT'S EASY to get separated when shopping at a large store. So when a co-worker of mine was asked by a woman to please page her missing husband, he gladly obliged.

Loud and clear over the PA system, he announced, "If there is a Rich Hooker in the store, please come to the customer-service desk. Your party is waiting for you."

KELLY O'NEIL

"LOOK FOR THE GOOD IN EVERYTHING
AND YOU WILL FIND IT!"

-Anonymous

OUR SUPPLY CLERK at the factory was in a dither. A box had been left on the loading dock with this warning printed on it: Danger! Do Not Touch! Management was called and we were told to stay clear of the box until it could be analyzed. When the foreman arrived, he donned gloves and safety glasses, and then carefully opened the box. Inside were 25 signs that read: Danger! Do Not Touch!

Taking Time

You'll find that life is richer
If you take the time to do
The very things that you would want
Your friends to do for you.

Take time to keep a promise
Or send a card of cheer.
Call an old forgotten friend
To say that you're still here.

Take time to mend a quarrel,
Express a gratitude,
Invite a friend to dinner,
Show a helping attitude.

Take time to share a child's dream;
Be patient for a day;
Learn to count from one to ten
When children disobey.

You'll be surprised how good you feel,
The happiness it brings,
If you take time to do for others
Loving, thoughtful things.

So grab onto the golden rule;
Do unto others too,
And very soon you'll notice
Your friends take time for you.

*There are corn stalks to be bundled
And wagon loads of hay
As summer fades to autumn
And the hummers fly away
It's a melancholy moment
When the scarecrow's work is done
And the farmer counts his blessings
With the setting of the sun*
